

avoided by the NLRB's denial of request for extension of time on October 29, 2014 the same day the Employer filed its resistance.

4. Local 150's Request for Extension of Time to File Post Hearing Brief cited non-emergency circumstances and typical attorney work assignments as the basis of its request.

5. Local 150's request for extension of time to file a request for review of the Decision and Direction of Election is more of the same. Once again, the Union cites non-emergency circumstances and typical attorney work assignments as the basis for its request.

6. For the reasons stated above, it is respectfully submitted that the Union's request for an extension of time to file a request for review for the Decision and Direction of Election should be denied and the request for review remain due on or before December 4, 2014.
